## MONEYSPOTTING TRAINING

This live (online) 1-day training will teach you to identify and process the patterns that keep your clients stuck in unhealthy patterns with money. The emphasis is on exploring psychobiological blockages to financial well-being.

### IN THIS 1-DAY LIVE ONLINE COURSE WE'LL COVER:

1. Two powerful Moneyspotting set-ups: Ratespotting and Worthspotting
2. The Klontz Money Script Inventory (KMSI) + how to incorporate it into Moneyspotting
3. Deepen your knowledge of the relationship between trauma and financial stress
4. Explore your own beliefs about money and how they impact your work (Financial Countertransference)

### WHO COULD BENEFIT FROM MONEYSPOTTING?

- Solopreneurs who long to raise their rates but don't
- Clients who work for other people and feel hesitant to ask for a raise
- Therapists and other healers who struggle with setting their fees
- People who want to make a large purchase (car purchase, home purchase) and feel blocked
- Clients who engage in financial deprivation

### YOUR GUIDE

I'm a Licensed Marriage and Family Therapist and a certified Brainspotting therapist, Brainspotting Consultant and Training Assistant; I love Brainspotting! I was fortunate to be mentored by Dr. Pie Frey and Lisa Larson, LMFT.

I spent the first half of my professional life working in the corporate world and that has a significant impact on my clinical work.
